RATIONAL SelfCookingCenter® whiteefficiency®

30% larger load sizes

The new HiDensityControl ensures heat and humidity are introduced - precisely metered and exactly where they are needed.

Consistently High Food Quality

The new Efficient LevelControl means clever mixed Loads, the SelfCookingCenter® - whiteefficiency® knows what can be cooked together and makes appropriate suggestions.

Extend Your Application Spectrum

The new SelfCooking Control panel has been completely redesigned.

Intelligent Self Cleaning CareControl

The new generation CareControl detects when the unit requires cleaning or care and suggests the optimum cleaning level.
